

le petit Chef

Anyone who has cooked with children will know that there are always safety concerns when using knives, requiring constant adult supervision, hoping that all of the child's fingers stay attached! Le Petit Chef from Opinel combines both **safety and learning** in one, the Le Petit Chef range includes a **Knife, Peeler and Finger Guard** especially designed for 5-10 year olds. At the heart of the product is the innovative **learning ring** which features on both the knife and the peeler, helping the child to correctly position their fingers and preventing the hand from slipping onto the knife or the peeler blade. Also included in the range is a **finger guard** which is worn to protect the hand holding the food to be cut, it adopts the claw position which is used by professional chefs.

The knife and peeler in the Le Petit Chef range are very robust made with high quality stainless steel blade and varnished beech-wood handle, staying true to Opinel's values of design, simplicity and efficiency.

Le Petit Chef is a fantastic new range which is sure to be a hit with parents and teachers alike helping to ensure safety and increase the fun of cooking with children.
