Premier Green Leaf Textiles & Coordinating Ceramics

Spring is in the air at Premier Housewares and we're celebrating with some fabulous new designs – none more redolent of the season than the Green Leaf collection.

Prettily printed in four shades of green on a fresh white background, Premier's leaf motif will bring a touch of spring time splendour to any kitchen-diner. The collection comprises a 16 piece porcelain dinner set, matching stackable mugs in a chrome stand, cork place mats, comfy beanbag lap tray, coasters, a well-padded 100% cotton single and double oven glove, machine washable apron and a set of three coordinating tea towels.

Each item radiates *joie de vivre*, and Premier Housewares' trademark quality and style. Prices start at £3.49.

The Premier Housewares Leaf collection is also available in orange for a contrasting autumnal feel – please ask for information.
